### Huracán STO dynamic launch: an intercontinental success

*Sant'Agata Bolognese 24<sup>th</sup> November 2021* – The dynamic presentation of Lamborghini's track-inspired super sports car Huracán STO<sup>1</sup> has concluded in Asia. Following its launch to European media in Italy, it was tested on the tracks and roads of North America, Japan and China.

The Huracán STO, a road car developed with the experience gained by the Lamborghini Squadra Corse team, impressed with its performance thanks to the racing technologies homologated for a driving experience on the track and on the road.

All information about the Lamborghini Huracán STO is in the [official press release](#).
