

## The Snowball – Automobili Lamborghini celebrates Christmas 2024 with a message of strength and reconciliation

### A story of choices that change the course of events, inspired by the spirit of “Driving Humans Beyond”

*Sant’Agata Bolognese, 20 December 2024* – Automobili Lamborghini continues its cherished Christmas tradition with “The Snowball,” a heartwarming video that reveals how a single decision can alter the course of events and reshape human connections.

The story follows a Lamborghini owner who, while driving his Revuelto<sup>1</sup> back to his hometown for the holidays, is confronted by a figure from his past, a person who, as a young man, had often mocked and humiliated him. In an unexpected turn, the protagonist responds with an act of compassion that leads to a heartfelt reconciliation, proving that courage and kindness can overcome even the deepest divides.

“The Snowball” beautifully embodies Lamborghini’s “Driving Humans Beyond” mission, blending the magic of Christmas with a powerful message about the impact of our choices. It illustrates how simple, yet meaningful actions can redefine relationships and inspire a more positive future.

With this universal tale of emotion, character, and vision, Automobili Lamborghini celebrates Christmas 2024, underscoring how sometimes a simple action can be an act of extraordinary courage.
