

Stefano Cossalter

Product line director Urus of Automobili Lamborghini S.p.A.

Graduated from the University of Padua with a degree in Engineering and Management, immediately after his studies and a thesis at AUDI AG in the R&D department, he joined Lamborghini in 2004 as project leader of Pre-Series Logistics. Since 2006, he has followed several projects as Project Manager for Derivatives cars, including the Murcielago LP 670-4 Superveloce and the Gallardo LP 570-4 Superleggera. In 2009 he held the position of Project Manager for the Lamborghini Aventador in 2012 he became Project Manager for the Urus line. He then moved abroad to the AUDI headquarters, where he was first Head of Product Line RS Q8 / RS Q3 / RS 3 / TT RS / R8 and then Project Manager Premium Platform Electric (PPE). From January 2021, he covers the role of Head of Product Line Urus and, from 2023, also of Lamborghini's product line Lanzador.
